

2026 RULE CHANGES

RULE CHANGE AS OF JUNE 11, 2026

- Only CCPRA Members can enter into Buddy Groups when entering a CCPRA Rodeo. Contestants competing on a Day Permit will not be allowed to Buddy.

GENERAL

- In the Women's Barrel Racing, if a replacement contestant is added to the Draw because of a Vet Out, Doctor Out, or Notified Turn Out the replacement contestant will be placed at the bottom of the draw of the contestant she is replacing.
i.e. at a rodeo that drags after every 6, if a contestant Turns Out of spot number 8, her replacement will run in spot number 12. Rather than being placed at the end of the draw like in years past.
- The Barrel Racing Pay Off has been updated.
- A spotter is required at all rodeos for all sections of Breakaway Roping.
- All Rodeo Secretaries must have a \$10,000 Surety Bond.

FINALS RODEO

Three judges will be required for the CCPRA Finals Rodeo.

Stock Contractors eligible to supply rough stock for the Finals Rodeo must submit a list of bulls and horses they intend to bring to the Rough Stock Director. The Rough Stock Director will collaborate with the representatives from Bull Riding, Bareback Riding, and Saddle Bronc Riding to determine which nominated animals will be chosen. The Executive Board will ultimately decide how many animals each Stock Contractor is permitted to bring.
